

MANGOSTEEN

Mangosteen health benefits include: Helps to reduced risk of cancer, inflammation, allergies, and diabetes. It has antioxidant, antifungal, and antibacterial properties which help in protecting the body against various ailments and also boosts the immune system. Mangosteen is also beneficial in maintaining healthy skin, weight management, and providing relief from diarrhea and dysentery. Mangosteen is rich in water, energy, protein, carbohydrates, and fiber. It also contains nutrients such as calcium, iron, magnesium, phosphorus, potassium, sodium, zinc, copper and manganese. Found in this fruit are vitamins C, B6, B12, and A which are required for maintaining good health.

MORINGA OLEIFERA (MALUNGGAY)

Moringa oleifera is very nutritious, has antioxidant properties, normalize blood sugar level, reduce inflammation and help to lower cholesterol. The moringa powder contains around 20 types of amino-acids, 46 antioxidants, 36 anti-inflammatory compounds and more than 90 nutrients which make it one of the best nutritional supplements.
